

USDA Asks Farmers Six Questions

Group Sundowners

County Huron Meeting Date Aug. 8 05

SD02595

1 Dont know how we can compete with other countries because they can produce the stuff cheaper than we can.

2 Work on keeping the farmers that we have now. young people do not want to become a farmer because they cant afford the land or equipment.

3 Give ^{Every} body the same set price.

4 Clam down on bigger farmers on waste run off, enforce more.

5 Get better farm prices your strangling us with the other countries.

6 More research. to use more farm products to bring fuel prices down.
